

Unfamiliar Text Oral Presentation - Due Friday Week 4

Part One - presentation of highlighted and annotated text - unpack the question and highlight and annotate your text - then take a photo and add it to a slide.

Part Two - You must present analysis of at least 3 different aspects from three different areas (listed below).

Part Three - You must construct a model answer for your question to share on a slide

This is the list of features from the board the other day. It is by no means exhaustive but it is a good starting point.
